“We are pleased to increase our funding for projects that compliment resources for schools for the promotion of attendance and learning for all Yukon students,” says Society President Tara Christie. “We encourage applicants to reach out and discuss their project ideas or brainstorm how *Every Student, Every Day* could benefit their school or community so that together, we can encourage as many Yukon students as possible to attend school every day.”

Projects may be submitted by Yukon First Nation governments, community groups, school administrators and councils and educators.

“We want to thank our Yukon educators who remain committed to ongoing collaborative endeavours,
