

MESSAGE FROM THE PRESIDENT & CEO

COMMEMORATING DISCOVERY DAY

On behalf of the entire Victoria Gold team and the employees of the Eagle Gold Mine, I wish all Yukoners a very happy, healthy and safe Discovery Day weekend.

As we reflect on our territory's past, and celebrate the 125th anniversary of gold's discovery on Bonanza Creek by Kate and George Carmack, Skookum Jim Mason, Robert Henderson and Dawson Charlie – igniting the Klondike Gold Rush and paving the way for today's responsible mining industry – Victoria Gold is very excited about the future and the Eagle Gold Mine's role in the Yukon's social and economic vibrancy.

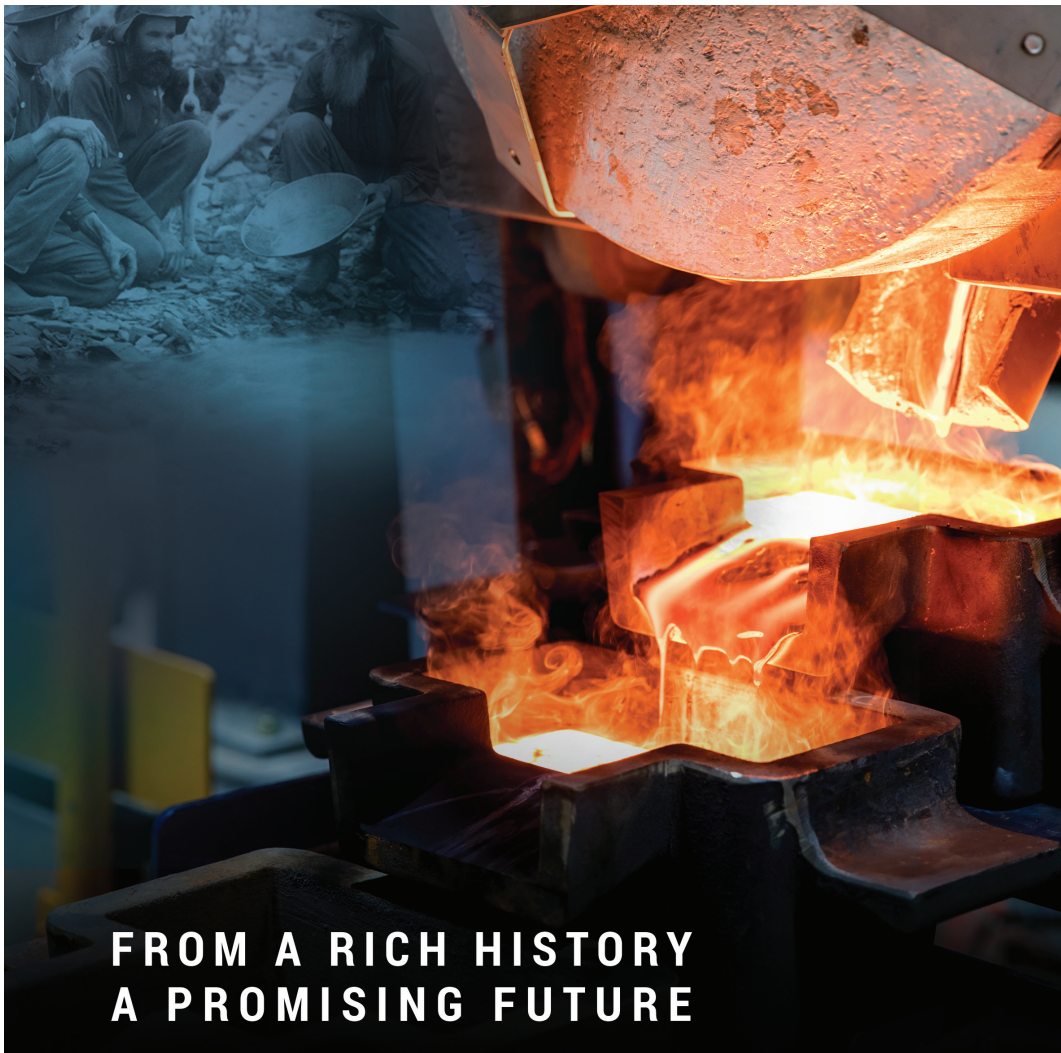

We are Discoverers. We are Innovators. We are Yukoners.

We look forward to all that the following years can bring and how our industry can benefit Yukon communities and the generations to follow.

However you celebrate this historic day, which indelibly shaped our territory and its relationship with the world, happy Discovery Day to you and yours!

Sincerely

John McConnell
